Advocacy

By simply being a Chamber Member, you are supporting your local businesses and the local economy. Remember the Chamber serves as a central organization dedicated to the welfare and development of our communities. No matter who you are or what your business or profession, the Chamber serves you!

- Your Chamber works with local governmental and community leaders on issues that affect Hart County.
- Your Chamber is working to make Hart County a better place to live and work.
- Your Chamber supports quality education and works with local schools to create a better-prepared workforce.
- Your Chamber assists with leadership development programs, health awareness campaigns, and shop local promotions.
- Your Chamber honors residents, businesses, and organizations that are making a difference in the county.
